

PRESCHOOL CATERING

For Year 2022. My Little Meal is by Great Value Catering Services

Balanced Meal

Based on years of experience, we realise kids generally don't like food that is way too healthy (such as whole wheat bread), and most of them don't even eat it despite teachers forcing them. We avoid these kinds of foods, but we will still commit to ensuring items prepared are balanced and will allow them to receive the appropriate nutrients necessary for their growing needs.
